HHHi all

It's been a stunning month for fund raising! Ashburton H3's WaterAid event brought in £750 and the Isca H3 Roman Awayday weekend collected £1200 for Mind during the red dress run and the Awayday that one very generous benefactor has offered to double! Excellent work and massive thanks to all who helped.

Time rolls on, and with it technology. It has felt for sometime that the Diary in it's current form has run it's course, so this is the last one I'll be issuing. Our website has seen some changes and no doubt more will follow, but the key one is that the Diary is now fully interactive - Hare Masters can input their dates and details in real time - if they choose to - or send them to me and I'll do my best as and when. Content for the future can be sent to me at any time for inclusion on the website.

On-On, Buzby
